

June 22, 2024- Young Engineers

10:00am-12:00pm

Bishop State Community College

1351 N Broad St Mobile, AL 36603 in their new lecture hall. (follow the signs)

For Littles grades 5 th -8 th , matches will be provided a lego kit to learn basics in engineering. An instructor will lead this class on building 101, sharing information about how gears work, and how you can transform blocks into a working machine. This is a great way to engage your Little in a STEM activity. Location is to be determined. We only have room for 20 matches to participate. Please RSVP to Kelly at kelly@centralgulfbbs.org as soon as you can if you and your Little would like to attend.

Back To School Bash

July 27th
