- Monroeville: May 23rd

Memorial Break

Fonde: 24 & 27th

Annual End of the Year Field Trip for School-based sites

May 1, 2024 from 9:00-1:00

National Maritime Museum of the Gulf Coast (Gulf Quest)

We are excited that the Annual Field Trip date has been set. We will have up to 10 companies showcase their business and the Littles will be able to tour the museum. We will provide lunch for everyone. We asked schools that have at least three or more School-based matches if they would allow their students to attend.

We should hear back in the next week. If your Little's school is listed, PLEASE save the date! We would love for you to be able to attend with your Little. We will have school arrival times determined by the 1st of April so you have an idea exactly what time your Little will arrive. If we have Community-based Littles at any of the following schools, they will be invited as well. The following schools were invited:

- B.C. Rain High School
- Blount High School
- Calloway-Smith Middle School
- Daphne Elementary School North
- E.R. Dickson
- Florence Howard Elementary
- Gilliard Elementary School
- Grant Elementary School
- J Larry Newton Elementary School
- LeFlore High School
- Leinkauf Elementary
- Monroeville Middle School
- Murphy High School
- Palmer Pillans Middle School
- Robbins Elementary
- Robertsdale Elementary
- Scarborough Middle School
- Vigor High School
- Williamson High School
- Williamson Middle School
- W J Carroll Intermediate

Monthly Activities:

Gale, our Baldwin County Match Specialist, has put together a weekly activity sheet with conversation starters, games, jokes and other fun activities. [Click here to access the monthly activities!](#)
