April 27, 2024 – The BIG Give

Matches are invited to celebrate our biggest fundraiser of the year from 9:30 am-11:30 am at the Bluegill on the Causeway! We will have games, space jump, face painting, air boat rides and food/drinks! Bigs don't forget, this is a very active sports time at the University of South Alabama. If you would like tickets to take your Little to a USA basketball, baseball, or softball game, please reach out to Beth, beth@centralgulfbbs.org, and she will reach out to see if there are tickets available. She will need about a week's notice to secure tickets.

June 22, 2024- Young Engineers

For Littles grades 5 th -8 th , matches will be provided a lego kit to learn basics in engineering. An instructor will lead this class on building 101, sharing information about how gears work, and how you can transform blocks into a working machine. This is a great way to engage your Little in a STEM activity. Location is to be determined. We only have room for 20 matches to participate. Please RSVP to Kelly at kelly@centralgulfbbs.org as soon as you can if you and your little would like to attend.
